
Annual Reports

Last Updated Wednesday, 25 August 2010

Transparency is important for SPARK and we strive to be as open as possible with our work and passion. As part of this policy we always publish our full narrative and financial annual records on our website.

The annual reports will provide you with a full overview of SPARK's activities as well as the financial statements, as approved by the Board of Directors, and the external accountancy agency Dubois & Co.

Download SPARK's annual reports:
